Foreword

IT IS a real pleasure and honor for me to introduce this issue of the *Analecta* dedicated to our retiring Principal, Mr. F. D. Weir, whose zeal, industry, perseverance and high ideals have made the period of his Principalship the most outstanding in the history of C.C.I.

This year's *Analecta* is another volume in the history of our school, another volume in the development of a tradition of scholarship, good sportsmanship and friendliness that has been growing throughout the years and that has inspired C.C.I. graduates and enabled them to achieve distinction in business, in the professions and in the political life of our city, province and country. It is a permanent record of the students and staff, of laughter and good times, of lessons learned and scholarships gained and of friendships made and championships won. In later years it will be a treasured volume which will roll back the years and enable you to enjoy once more the happy days of 1953 at C.C.I.

To those of you who will be returning next year may I say I hope you will enjoy your coming year and that you will find it both happy and profitable. The graduates of this and previous years look to you to maintain and further the traditions developed by them throughout the years.

To the graduating students may I say I know you have enjoyed your years at C.C.I. You are glad to go. It is but human that you should be eager to explore the adult world but still I know you leave us with some regrets. I hope the years you have spent here have been as profitable as they have been happy. Your associations with your classmates and teachers and your struggles with your lessons, I hope, will have moulded you into better citizens more capable of overcoming the many and varied problems you will meet as you enter new fields of endeavor. I hope, too, that the memories of the happy days at C.C.I. and the friendships made will endure throughout the years.

To those of you who have won honors and scholarships my special congratulations. You have worked hard and have been rewarded. May I suggest that your responsibilities to society are directly proportional to your abilities and training.

I wish each of you health, happiness and success.

—G. W. FOSTER.

Valedictory

THIS is Graduation Night—a time which symbolizes for us the achievement of a goal, a time to look back over twelve years of schooling, and a time to look forward into the beckoning future. As we look back over our school life, we realize that these last years spent at Central High, have been, undoubtedly, the hardest, but also the happiest, and, in many ways, the most memorable years of all.

Central High School will always stand for certain definite things in our memories. First of all this school will stand for a sound education which has given us the opportunity to attain further ambitions, whatever they may be. An education of that kind calls for

teachers of the highest qualifications and character. We have had such teachers. We have never been able, and never shall be able, fully, to express our gratitude for all that they have done for us. The school stands, too, for association with one of the finest groups of students to be found anywhere, for a wealth of never-to-be-forgotten friendships made by working and playing together, loyally, enthusiastically, and—for the most part—harmoniously. In achievements, both academic and athletic, we are proud that our school is second to none. We hope that we have done our part to keep up the great tradition!

The fame of Central High has been built up through the years under the leadership of Mr. Weir, who has for the last eighteen years been its principal. This class of '53 is the last to graduate in Mr. Weir's term of office. We should like, therefore, to thank him, with special emphasis, for all the devoted service he has given to the school, and to us, and to wish him, wholeheartedly, a long and happy future. At the same time, we wish to welcome Mr. Foser, who, next year, will be the new principal. We hope that during this past year at Central, he has grown to like us as much as we have liked him.

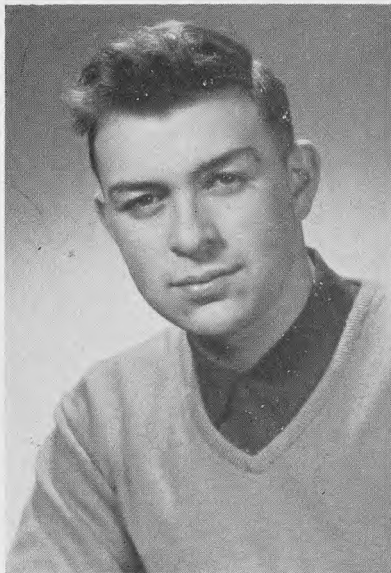

On this graduation night, it is fitting that we think of the future, for, come July, we shall all be scattering to follow the paths of our choice. We know that we, as Canadians, are among the favored of the earth. We rejoice that we live in a free land, a land which is overflowing with opportunities. At the same time we must never forget that freedom and opportunity have their responsibilities. It must be our task to take advantage of those opportunities and to preserve that freedom. This we can and must do by carrying out the standards of responsible citizenship, the foundations of which we have learned here, in our high school years.

And so to you Central High, we give our thanks for all that you have given us—education, friendship, ideals of citizenship. We hope that in the future you may be proud of us, as we are proud of you.

—LEONOR HAW.

Valedictory

THREE or four years ago, the members of the 1953 graduating class ventured irresolutely into this ancient edifice of learning. Tonight, upon taking our leave, we have somewhat the same feeling as we had during those first days here—a feeling of bewilderment and desolation, for we are entering a new phase of our lives. We are happy, and yet we are sad. What student would have thought, those few short years ago, that he'd ever be sorry at the prospect of bidding farewell to this old, and then seemingly unimpressive school.

Confused, and slightly apprehensive, we were first introduced to Central High. To our joy, the fears and doubts, existing entirely in our minds, proved groundless, and as time flew by we grew to be part of this small, yet virtually ever active school. The atmosphere was friendly, and a helping hand was ready should one falter. Together we cheered our teams in victory, and swallowed our sorrow in defeat. Together we watched, with overflowing admiration, our scholars and athletes on Awards Day. We struggled with our maths., languages, and sciences. Through our clubs and interschool activities we gained practical knowledge. Because we learned that there is no short and easy road to success, our most important achievement was the acquisition of perseverance and determination; furthermore we grasped the true significance of co-operation through our realization that humanity will never successfully survive unless it adopts some form of universal compatibility. Yes, our sojourn here has truly been rewarding.

At this time our thoughts naturally turn to those who have made tonight an actuality—our principal, and our teachers.

Mr. Weir, who has always been a friend and a guide, is also saying good-bye this year. A more sincere and conscientious principal we could never hope to have. May we extend to you, sir, our most heartfelt thanks.

We can never adequately express our appreciation to our teachers, so greatly are we indebted to them. They have coaxed, prodded, pleaded, and reprimanded us, and in return they have suffered, I'm sure, a thousand and one mental anguishes. Their nerves have been strained to the point of breaking, indeed often beyond. They are the bulwark of humanity. With their thoughts and inspirations as a perpetual beacon, we shall go forth through the fog of the future.

And so, dear old Central, through whose corridors we have walked, in whose classrooms we have studied (more often not), and whose walls have so nobly borne the brunt of our bruises, we are sorry to leave. No matter how eventful the future may be, our high school years will remain forever treasured among our memories. We shall never forget you.

—RAPHAEL ENGLE.

Dedication

F. D. Weir

THIS, our 38th Year Book, marks the end of an era in the history of Central High School. Our principal, Fred D. Weir, retires at the end of June and to him we have the honor of dedicating the 1953 *Analecta*.

Fred D. Weir was born at Guelph, Ontario, the son of a Baptist minister, the Rev. Wm. Cornett Weir, B.A., B.Th. He started public school in Everett, Washington, moved with his parents to Toronto, Ontario and passed his High School Entrance Examination while attending school at Carleton Place, Ontario. His high school work was likewise taken at several places. In 1901 he entered the Carleton Place High School, moved two years later to Georgetown, Ontario, and finally to Waterford, Ontario, where he obtained his Senior Matriculation.

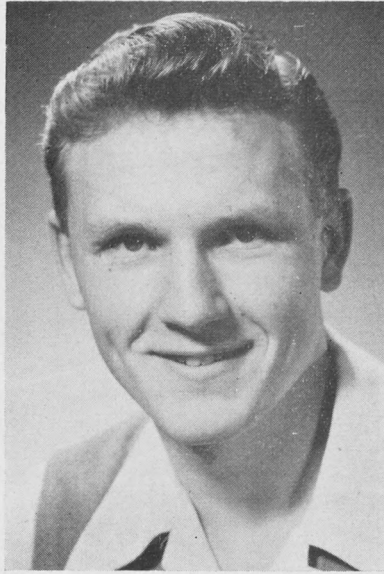

Mr. Weir then entered the Simcoe Model School where he earned his Ontario Teacher's Certificate; later he gained his Alberta Certificate at the Calgary Normal School. This was followed by a period of teaching at Clear Creek, Bailieboro, and Riverside in Ontario. In 1909 F. D. Weir entered McMaster University then located in Toronto. While at McMaster, where he obtained his B.A. degree, he won five university scholarships and still found time to play on the rugby team and to be a member of the track team.

Our principal's connection with Central goes back to January 1914 when he joined the staff as an instructor in Latin. A year later he moved to Camrose to become principal of the Practice School of the Camrose Normal. From September 1919 to June 1922 he taught Latin at Central. When East Calgary High School was opened in 1922, F. D. Weir became its first principal, a post he filled until September 1935 when he returned to Central, this time as principal.

Under his leadership Central has become the outstanding academic school in the province. Fred D. Weir's educational philosophy might be summed up in the statement that the function of an academic high school is to give her students a sound basic preparation for further work at a university and that other activities are secondary to this objective. That this was done at Central has been proved by the long list of matriculaion scholarships won each year by Cenral students and by the frequency of the names of Central graduates in the honor lists of the University of Alberta and other universities across the country. The other activities also have had their place at Central during F. D. Weir's principalship, such as the athletic "Grand Slam" of the school year 1950-1951 and the winning of the Ferguson Memorial Trophy this year.

To Principal Fred D. Weir we say good-bye. Central will long remember you. May you and Mrs. Weir have good health and long years in which to enjoy well-earned leisure.

In Appreciation

ONCE again we reach the conclusion of another school year and with it the 1953 publication of the *Analecta*. Through the years to come, may this edition bring back to us memories of the happiest days of teen-age years. In several ways, this volume with its record of achievements, both academic and athletic, is a milestone in our lives.

In editing this year book, I have had ample co-operation and help from my co-editors, to whom I am more than grateful. I would especially like to voice my appreciation for the willing assistance extended to me by our principal, Mr. Weir, and by our literary advisor, Miss Calder. Also, I would like to thank our secretary, Miss Johnson, for the small, yet important jobs she has done throughout the year. Hearty thanks are also due to the many advertising firms whose contributions have made this book possible. My gratitude is extended to my fellow students whose write-ups have added much interesting reading to this year book.

I consider it a great honour to dedicate this year's *Analecta* to our retiring principal, Mr. Weir.

—JIM BROWNE, Editor.

Prophecy of '53

PROPHECY OF '53

One night while doing my homework, I dozed off, and the Spirit of the Future came to me. "I am the Spirit of your Alma Mater", he said, "and am opening to you the gates of the future of the Class of '53". As he led me through a dense mist I saw many familiar faces.

"Gadzooks", I said, "Isn't that Heather Symons?" "Yes," replied the Spirit, "she is now President of the Women's Free Thinkers League, and has taken a strong stand for basketball training as a pre-requisite to successful household management."

My eye, becoming accustomed to the mist, was suddenly caught by a flaring advertisement—"Erb School of the Dance—Robertson's Rhumba a Specialty". In the line of people waiting for the doors to open were Les Belinsky and Mike Snidal discussing what happens to the hole in the doughnut. They were getting ready to learn "The Lancers" for the Country Club Ball which Society Leader, Mrs. Van Gotrocks (the former Carole Adams) was giving in honor of the famous French scholar, Victor Beaudre, recently returned from Paris. I paused for a few minutes to ask who would be at this social event, and found that out-of-town guests invited, were Admiral Carlton Fitzer, U.S. Navy; Inspector Richard Jackson of Scotland Yard; and T.V. stars, Peggy Richardson and Pat Buker.

Continuing down the line my guide and I were almost knocked over by a stately grey-haired gentleman, rapidly dictating notes to his secretary who was following at his heels. "That looks like Don Campbell, the genial Scotchman," I said.

"It is," answered the Spirit, "and that's Roberta LeBourveau, his private secretary, with him. He is with the firm of Campbell, Goresht and Fleury, research chemists. They are working together on a new dog food made from air and water. Their former colleague, Dick Collver, recently won the Nobel prize for putting tooth-paste back in the tube."

Reluctantly leaving our friends at their dancing lessons, we journeyed down the street. Finally, overcome by pangs of hunger, we stopped in for lunch at Zysblat's Beanery, and were just in time for the floor show. This featured guest artists, Hank tenBroeke and his tonette, and the famous blues singer, Marilyn Feathers. At the next table were two familiar people, Edgar Jorgenson and Winston Churchill, brilliant authors of "Elementary Algebra for Beginners". At another table, dining with their husbands and children, Leonor Haw and Betty Davis.

Walking down the street again, we passed "M. J. Hopping, Drugs, Stationery, etc., Doctors prescriptions Only". Next door, a large plate glass window announced, "Marjorie Joyce—Psychiatrist, Specialist in Criminality and Insanity, and author of 'The Physical Manifestations of Laughter'." This astounded me, but more surprises were to come.

Suddenly my guide inquired, "Did you know that Jim Browne is now a tribal king in Borneo? He was sent there on a government mission with Ross Walker, and has recently succeeded to the throne because he is the tallest man on the island. Ross is Chief Consulting Engineer, Secretary of State, and Court Musician. His brother Neil, who went to Central Africa to teach dry farming to the cannibals, has disappeared."

We made our last stop at the fortune-telling parlor of Millard and Pearlman. Carole and Eta, each gazing into her own crystal ball, predicted the disappearance of the Spirit, and the end of this Prophecy.

The Glee Club

The Glee Club started brilliantly last September with a membership of about eighty. Practices were held on the stage every Thursday noon until February. After a few weeks rest, practices were resumed Tuesday and Thursday noons. At the Spring Demonstration Music Festival, ninety-four girls sang two lilting choruses from Gilbert and Sullivan's "The Mikado". On that occasion Mary Price ably played the rather difficult piano accompaniments. The girls sang at Central's "Coronation Program", and again at the June Graduation ceremony.

At various intervals the group was entertained by illustrated talks and dramatic productions.

The Annual Graduation Dance was held on Friday, June 5th. The Home and School Association hope that this was a happy and memorable event for the graduating class of 1953, to whom they wish the best of luck.

The group wishes to express their thanks to Mr. Harper for giving so freely of his time.

Activities

Gamma Phi

Under the capable guidance of Murray Faulkner of the Y.M.C.A., the Gamma Phi has completed successfully another year. Prominent among the council's activities were a city-wide conference of the Hi-Y and the Y-Teens, which was carried out in conjunction with the Gamma Chi council. Other activities included sponsoring several members to an International Hi-Y conference in Minot, N.D.; a week-end at Camp Chief Hector; a combined dance with the Y-Teens and a tea.

The executive was:

RODEO ROMP

All Central went western Friday, March 13th, when Central Girls' Senior Y-Teenagers held their annual Rodeo Romp. Given in honor of Central's basketball teams, the dance got off to a good start with square dancing conducted by Mr. and Mrs. Churchill. Denise Cummings, Central's Jerry Lewis, gave her inimitable version of "Sunday Driving". Several Y-Teenagers presented a skit entitled "Lorna Loone's Fate", or "Kidnapped in a Potato Sack", which was heartily enjoyed by all. Decorations were completely western, even to the hay in the baskets and in the balcony. Emcee Ryan Adams kept things going at a lively pace throughout the dance. Congratulations go to him and to the members of Y-Teen for a very successful dance.

COUNCIL CAPERS

Central's last dance of the year, "Council Capers", was held Friday, May 8th. Presented annually by the Students' Council, it, like the rest was a great success. As usual, the decoration committee went all out to transform the gym and transform it they did. Because Frank Fleury kept things going at a lively pace, everyone had a good time.

GRADUATION DANCE

On June 5th, the Central Home and School Association's annual banquet and dance was held in honor of the 1953 graduates.

The gymnasium was changed by the lovely decorations which carried out a spring theme. Dance music was supplied by records.

The highlight of the evening was a balloon dance in which multi-colored balloons were hovered over the guests while paper streamers fell everywhere. The end of a perfect evening came with the singing of "Auld Lang Syne".

GRADUATION EXERCISES

Commencement Exercises for the Graduating Class of '53 were held in the school auditorium on the evening of June 9th. Many parents, friends and teachers heard the class bid farewell to Central and saw them receive their scrolls, symbolic of graduation.

The opening invocation was said by Rev. W. H. Crump, followed by a brief introduction of the guest speaker, Mr. Maurice L. Brown, by the chairman, Mr. Lou Goodwin. After a very interesting and inspiring talk by Mr. Brown, the graduates were introduced by Mr. G. W. Foster and Mr. W. H. Brooks. The Valedictorians were Leonor Haw and Raphael Engle.

The Alumni presented Mr. F. D. Weir, retiring principal, with a gift in appreciation of his years of service at Central High.

Central's Glee Club and Orchestra presented two delightful selections under the direction of Miss Powell. Solos by Allan Sheftel and Irene Wither- spoon brought to a close the beautiful graduation service.

AWARDS DAY

Awards Day for 1953 was held on June 18th. The Frances Woolverton Memorial Cup was awarded to the best all-round girl, and the Murray Law Memorial Trophy to the best all-round boy. Letter Crests for activities and athletics were presented to the outstanding boys; the outstanding girls received Letter Pins. The Joe Dutton, Darcy Scott and Tom Barr Memorial Sweaters were among the various other athletic awards presented.

Cups, Shields and Plaques won in athletic events were given to the captains of the winning teams.

EASTER PARADE

The Junior Y-Teeners showed both enthusiasm and ability in their presentation of "Easter Parade", held on March 29th. Guests were received by Mrs. A. J. Fisher, Miss M. Sutor and Miss Sheila Fisher, Junior Y-Teen president.

Sponsored by the Hudson's Bay Company, fourteen charming members modeled the latest in Teen-age Fashions.

During brief intermissions, solos were given by Marley Featherston and Diane Woodcock.

Honors at the tea table were shared by Mrs. F. D. Weir, Miss E. Jagoe and Mrs. J. Martin.

Committees were headed by Yvonne Allan, decorations; Valerie Erb, publicity; Lois Mitchell, tickets; Mona Morup, home cooking; Joan Reid, fashions; Donald Farriss, kitchen; Sheila Caithness, serving; Sandra Falk, music; and Glennie Erb, refreshments.

All proceeds from the tea were given to the European Flood Relief Fund. The club should be praised for donating their time and effort for such a worthwhile cause.

Activities

French Club

Despite a small membership, the French Club enjoyed a very profitable and entertaining year.

The executive was:

President	Irene Witherspoon
Secretary-Treasurer	Barbara Geary
Program Convenor	Betty Davis

Activities included their annual Valentine's Day candy sale, proceeds going to the French Scholarship Fund, and a dinner party held in honor of several French visitors. Miss Hawley, Western High School French teacher and Thora Rudy, graduate of Central High, gave interesting talks to the club during the year.

Miss Maxwell should be complimented for furthering the study of French each year in this club.

Tea Zaar

On the afternoon of December 4th, Central High Auditorium resembled "Gay Paree", as the Senior Girls' Y-Teen presented their annual "Tea-Zaar".

Highlights of the beautiful pink and black decorations were an Eiffel Tower, a can-can girl, a model and her poodle, and booths which looked like sidewalk cafes. This year as the students were served from a booth, more room was left for the guests at the tea table.

Pouring tea were: Mrs. G. W. Foster, Mrs. J. L. Haw, Miss N. James, Mrs. J. D. Mason, Mrs. J. Martin, Mrs. C. M. Snow, Miss F. S. Todd and Mrs. R. Warren.

The Glee Club under the direction of Miss Powell, provided a very pleasing musical background.

The credit for this successful project is due to the members of the Senior Y-Teen and their advisor, Miss E. Jagoe. Worthy of mention are the committee heads: Carole Adams, equipment; Denise Cummings, publicity; Carole Millard, decorations; Eta Pearlman, food; Peggy Richardson, home cooking; Judy Smith, tickets; and Miriam Zysblat, bazaar table.

Front Row (left to right)—Leonard Swischuk, Ken Perkins, Alan Laing, Henry tenBroeke, Helen MacGregor, Richard King, Donna Pearlman, Marie Attwood.
Back Row—Allen Herrington, Miss Powell.

School Orchestra

During the 1952-53 season, seven students played in the Orchestra for school credits, and three more played for fun. Practices were held regularly twice each week from September until the middle of January. The Orchestra then had a vacation until after the Easter holidays, at which time regular practices were resumed. Seven more students joined the group for the Graduation Exercises held at Western and Central. At both these functions the Orchestra gave a good performance.

Orchestra music at Central is now receiving much encouragement, for the School Board has spent a considerable sum of money on new instruments for us. This year we received a violin, viola, 'cello, double bass, clarinet, trumpet, and a trombone—all of which are beautiful instruments. Next year we hope to get another violin and a flute.

The Orchestra, which has always played well, should in the near future include a larger number of students, and advance to greater accomplishments under the capable direction of Miss Powell.

Activities

The Cheer Leaders

The cheerleading section was led this year by Marlene Boag, Kay Clark, Nancy Dundas, Kathleen Edwards, Barb. Knox, Helen Murray, Marilyn Richardson, Bev. Sanderson and Miriam Zysblat. It is felt that the new system of having nine Cheerleaders instead of five, has added new life and volume to the Central cheer bleachers.

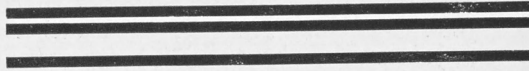

The girls, who had practiced faithfully every Thursday at noon, cheered the teams on to victory. A reward for their untiring efforts was a trip to Edmonton for an inter-city basketball game.

Backed by both the Senior Girls' Y-Teen and the Boys' Hi-Y at the Track Meet, the cheerleading section proved to be very well supported. Next year they promise to be bigger and better than ever.

Senior Football

This season, unfortunately, the best team lost. We, of course, are speaking of Central's fighting senior aggregation who, because of the late opening of school, were not in shape early in the year and as a result took it on the chin in the opening round of play. They tied St. Mary's 1-1, followed by 17-12 and 10-6 losses to Western and Crescent.

The purple and gold then came into their own. In the first game of the second round they dumped St. Mary's 17-5. Then Western, the provincial champs, were handed their only defeat of the year by a score of 13-5. The final game with Crescent ended in a 5-5 deadlock. The series ended with Central and the Hillmen tied for second place.

Much of Central's success must be credited to their hard-charging line. Jim Browne and Harold Hanen anchored it at centre, assisted by tough guards in John Alexander and Ed Jorgenson. Abe Epp and Ross Walker were outstanding as tackles while Vic Beaudry and Winston Churchill proved to be a couple of aggressive ends.

John Allison masterminded the team from the quarter back slot. He was aided by fleet backfielders Larry Edwards, George Shortt, Les Belinski, Cecil Eaves, Bill McKay and Lee Irvine.

Congratulations to Vic Beaudry, Ed Jorgenson, Len Belinski and Abe Epp for making the All-Star Team, and to Cecil Eaves for making the second team. The seniors were ably coached by Mr. Hackett, who gave freely of his time and knowledge.

Junior Football

The championship was in our grasp, and then suddenly it was gone. That's all the junior boys' football team can say. Opening day jitters cost Central their first match against Western, but then they stepped into high gear and rolled to four straight wins which included handing St. Mary's their only defeat of the season.

In the final game of the year against the Saints, with the junior crown at stake, Central appeared to have it sewn up when a fumble, two bits and a kick knocked them out of the game and the championship by an 8-7 score.

The hard working line was spearheaded by such rugged performers as Barry Ellis, Vaughn Gusa, Ryan Towers, Doug. Turner, Bruce Wallace, Barry McPhee, Reg. McNamara and Moose Davidman. Bob McArthur quarterbacked the squad while Norm Riezebos handled the kicking chores. A fleet backfield consisting of George Nagler, Doug. Lee, Tom Erskine, Ralph Gurevitch, Jim Chaput and Dave Campbell, added punch to this fine club.

Moe Jones in his first year as coach is to be congratulated for turning out such a fine team.

Senior Boys' Interscholastic Basketball

Central's Golden Rams climaxed a very successful season by winning the Senior Interscholastic Basketball Crown.

During the regular league schedule they won six encounters and dropped two.

In the finals, a total point series against Crescent, the Rams tossed away the first game 50-48. However, like true champions, they won the second match handily by a 48-30 margin, thus taking the round 96-80.

The Champs:

John Alexander—John, who played centre, was a top rebound man.

Vic Beaudry—All-Star forward—team captain and high scorer.

Les Belinski—Playing guard, Les owned a deadly set shot.

Curt Brown—Lacked experience this year, but should develop into a top star.

Jim Browne—"Sam" was a keen competitor and free shot expert.

Athletics

Don Campbell—A good ball handler. Don shows much promise.

Winston Churchill—Win played guard and was an all-round performer.

Frank Downey—Excellent guard—kept a steady influence on the team.

Joe Ferguson—"Jumping Joe" turned in many fine performances—named to All-Star team.

Lionel Ravvin—Improved with every game—excellent material for next year.

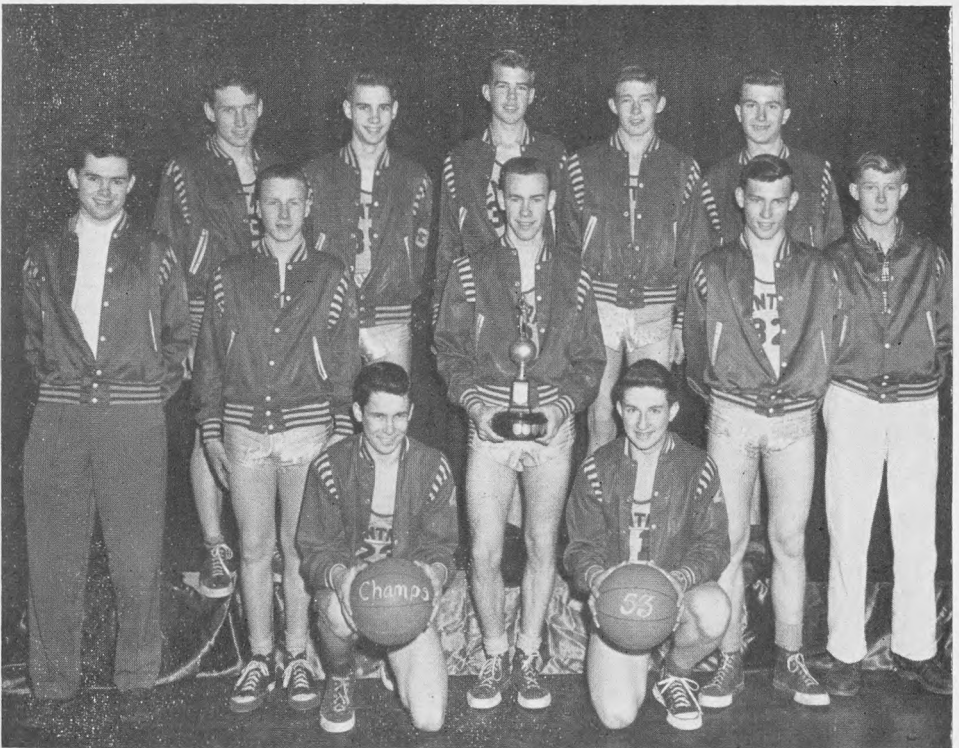

Henry tenBroeke—Hank was an excellent pivot man and a high scorer.

Doug Turner—A true basketball enthusiast—accounted for many team points.

Ross Walker—"Rocky", playing his first year of senior ball, turned in a fine showing.

Mr. Hackett: Our coach deserves much credit for leading our team to victory.

Junior Boys' Interscholastic Basketball

The Golden Ramblers made Central's basketball sweep complete this year by retaining their Junior Interscholastic Basketball Crown.

Like the seniors, the juniors won six contests and lost two during the regular league schedule.

In the play-offs against Crescent they won the initial game by a 52-39 score. Crescent, however, turned the tables on them in the second encounter winning 48-39. Fortunately this was not enough and Central took the championship on points.

The Junior Champs—

Don Davis—Gained the experience this year to make a top star next season.

Keith Eccleston—Will be good future material for next year's squad.

Tom Erskine—A fine guard and a very good ball handler.

Frank Fleury—Playing pivot, Tilberry aided greatly the Central cause.

Ralph Gurevitch—Good shot and fine all-round player.

Bob Hawkes—Bob, who was a steady player, turned in many fine games.

Jim Kelley—A promising player who was a stalwart support.

Dennis Lawson—While playing forward, Dennis led the team in scoring.

Rick Letrude—An all-round player who scored many points.

Bob McArthur—This excellent forward had a terrific season.

Dave Patterson—Showed plenty of that old team spirit and fight.

Ron Powell—Central's centre. Set up many scoring plays.

Norm Riezebos—His improved playing aided in Central's final victory.

Bill Manary—Former C.C.I. student, whose excellent coaching enabled Central to win her second straight junior title.

Boys' Baseball

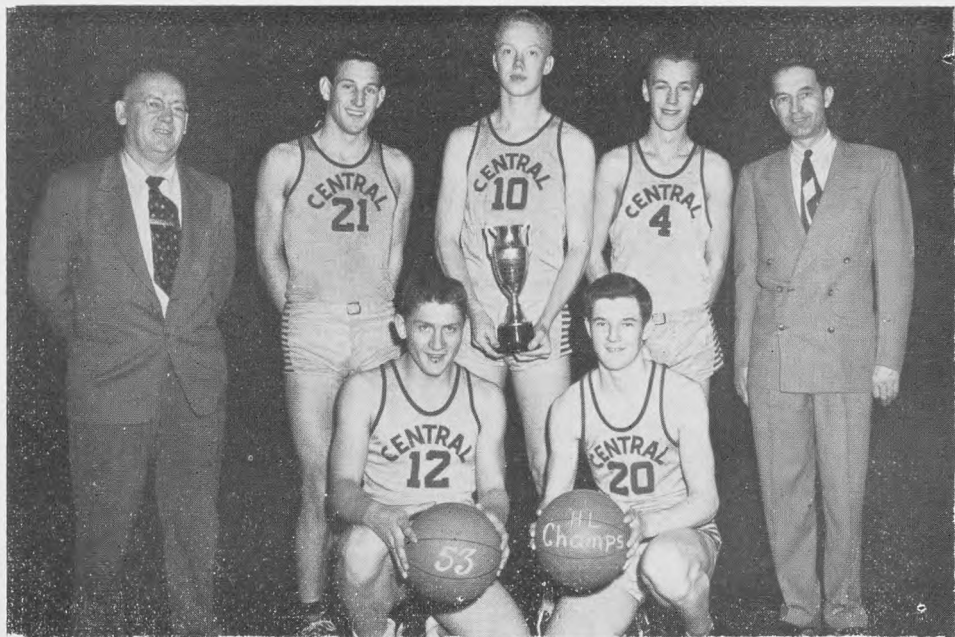

Senior Captains: Vic Beaudry, Abe Epp, Les Belinski, Bruce Wallace.

Junior Captains: Bob Gooder, Keith Eccleston, Lionel Singleton, Barry Ellis.

Although rain hampered the boys this season, the few games played were closely contested and interesting to watch. Major league scouts were noticed from time to time making a close check on Central's window breakers. Unfortunately for the fans no umpires were killed this year, because of the short schedule. We hope for better weather next year.

Boys' House League Basketball

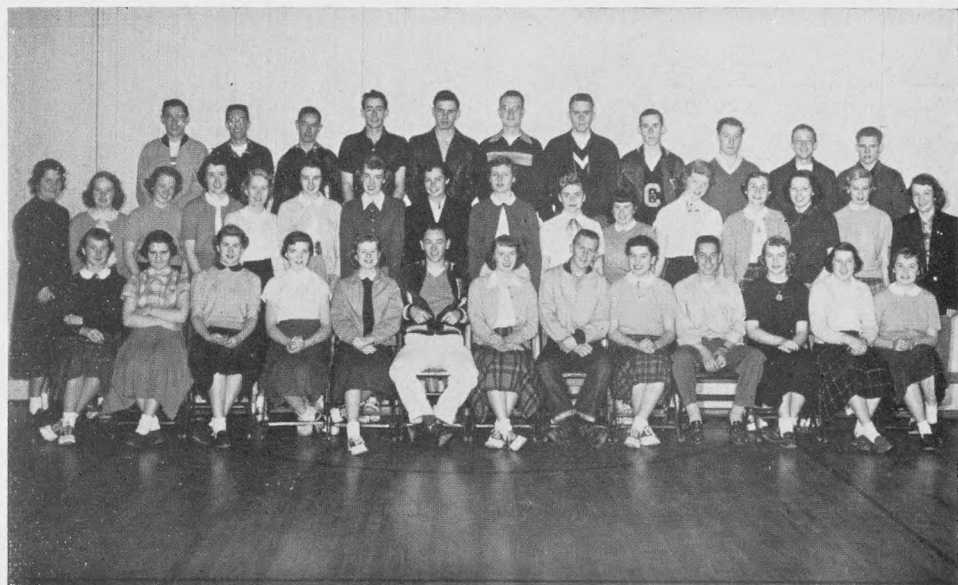

A great deal of interest in House League Basketball was in evidence this year as sixteen teams participated in the intermural leagues.

Four teams, captained by Belinski, Beaudry, Browne and Ferguson, made up the Senior House League. Beaudry's squad defeated Browne in the finals to take top honors.

Morris Davidman, Bob McArthur, Colin Duncan, Dave Patterson, Jim Chaput and John Turner led the six Junior House League quintets. Bob McArthur's crew took the league championship.

Bantam league clubs were headed by Manary, Singleton, Lawson, Maerov, Laing and Kelly. The small man's league crown went to the team captained by Arnold Maerov.

The Boys' House Leagues thank Mr. Hackett and Mr. Brooks for giving so much of their time to this worthwhile activity.

Vice-President	Barry McPhee
Secretary	Moyra Mackie
Treasurer	Marilyn Johnson

The Central Ski Club as a member of the C.I.S.S.A. (Calgary Inter-School Ski Association) enjoyed the reduced rates, pamphlets and instruction offered by the organization. During the winter the club held four week-end excursions to Banff. All 72 memebtrs of the club benefited greatly from the free ski lessons sponsored by the Calgary Herald.

The team retained the Union Milk Co. Trophy won last year for the four-way combined championship in the Calgary Interscholastic Ski Championships. They also captured the Downhill Slalom and Giant Slalom Trophies in the same tournament.

In the Provincial Championships, Central's best showing was a second in the Downhill event. Jay Kellam represented Central on the Alberta Junior Team that entered the American Region Championships at Sun Valley.

Senior Girls' Interscholastic Basketball

The senior girls and their coaches are justly proud of their record this year, for they were undefeated throughout the entire season. There were many close calls but the team always managed to pull themselves out of the red and finish their games on top.

The Central team met the Crescent Heights squad in a two-game total-point series. The first game, held at Central, came to an exciting climax with Central winning by one point. Crescent's gym was the scene of the second and final game. The Central girls got off to a good start, and managed to keep a substantial lead throughout the first half. However, in the second half, Crescent scored frequently and the Central team had to use every ounce of energy to claim the championship.

Heather Symons, the captain and "initial spark" of the team, accepted the cup on their behalf.

The coaches, Sam Goresht and Dennis Lawson, are to be commended for their splendid supervision and patient hard work. The players wish to thank these two for an excellent job.

The team wishes to express their appreciation for the work done by scorekeepers, timekeepers and referees. A special thanks goes to Miss James who gave so unselfishly of her time.

Junior Girls' Interscholastic Basketball

Although the Junior Team had a very successful year, they were defeated in the semi-finals by Western. However, the girls had lots of fun and gained much valuable experience. They will be a tremendous asset to the senior team next year.

The members of the team would especially like to thank Les Belinski and Doug. Turner for their expert coaching, and the scorekeepers and time-keepers for their assistance. A special note of thanks goes to Miss James.

Front Row (left to right)—Elaine Kent, Shirley Brown.

Senior Girls' House League Basketball

This year four teams competed for the Senior Girls' House League Trophy. The captains were: Heather Symons, Marilyn Richardson, Lois Lowry and Shirley Brown. The two top teams, Shirley Brown's and Heather Symons', met in the play-offs. In a hard fought sudden-death final, Brown's team emerged victorious with a narrow one-point margin. Symons' team had been undefeated throughout the season, as a result Brown's winning of the championship proved to be an upset. The winning team firmly believes that their success was mainly due to the untiring efforts of their coach, Lionel Ravvin.

All the girls wish to thank Miss James for her capable supervision. A vote of thanks goes also to the referees and scorekeepers who donated their time to this league.

This year, six teams contended for the Junior Girls' House League Championship. They were captained by Sharon Molineaux, Sydney Smith, Marg Meyers, Mary Whittaker, Marg Glover and Marilyn Morrison. After an undefeated season, Molineaux's team reigned victorious.

The teams played on Fridays at noon and often attracted a sizeable audience. The entire schedule was carried out with an abundance of enthusiasm which helped to provide an outstanding year for the Junior House League.

The girls would like to extend their thanks to Miss James for supervising the games; to the scorekeepers and timekeepers, and to the voluntary coaches for their assistance.

Curling Team

Central was well represented this past season with two teams competing in the High School Curling League. The Central Purples with Norton Newcomb, Bruce Wallace, Paul Dean and Mike Brooks worked hard to gain fifth spot in the league. They won four games, lost three and tied one.

With six wins and two losses throughout the season, the Central Golds were ripe for the championship.

Norman Kirkwold, Don Hunter, Don Campbell and Don Taylor made a team that was too hard to beat. The league was won over Mount Royal by a one point lead. In the divisional playdowns, the Central representatives, Norman Kirkwold, Don Hunter, Bruce Wallace and Don Taylor, won the city championship and were runners-up to Vulcan in the Southern Alberta playdowns.

There were a good number of enthusiastic spares this year, willing to fill in whenever needed. With them and a large number of the team curlers planning to return to Central again next year, the Curling Club can look forward to another winning season.

Every Friday after school the "Olympic" rang with shouts of Central's Bowling Club. There were sixteen teams this year, captained by Anderson, Beaudry, Browne, Carver, Churchill, Hatfield, Howg, Irwin, Jorgenson, Larsen, Lawson, Pilling, Richardson, Shortt, Walker and Zysblat.

Ten cents was donated by each member every week to make a total of \$72.00 in prize money, which was distributed to the winners at the end of the season.

The top eight teams participated in a two-week play-off. The winning four teams of the first week contested for the championship the next Friday, May 8th.

Although Browne's team came out on top of the scheduled games, it was Beaudry's team that won the finals with Browne's team in second place.

The individual and team high scorers of the season are as follows: Men's high average, Winston Churchill, 186; Ladies' high average, Leona Larsen, 153; Men's high double, Jim Browne, 535; Men's high single, Jim Browne, 343; Ladies' high double, Marilyn Johnson, 411; Ladies' high single, Leona Larsen, 255 Team high double, Churchill, 1796; and Team high single, Churchill, 1034.

Girls' Track

The Central girls gave a most commendable performance at the Inter-School Track Meet and brought home the Dr. Singleton Trophy. Central piled up a total of $58\frac{1}{2}$ points while Crescent, their closest rival, gained 54 points.

It was largely due to the efforts of the relay teams, who brought in a welcome 17 points, that the girls were victorious. However, individual participants did extremely well.

A special note of thanks goes to Miss James for her untiring efforts and unfailing enthusiasm in preparing the track team.

Boys' Track

Woe, woe, unutterable woe—Where were Central's track stars on May 29th? Somehow, whatever the reason, they failed to show up for the Meet and the bureau of missing persons is still looking for them. As it stood Central came last, scoring 49 points.

The only bright spots at the Meet for Central were Dave Campbell's twin victories in the Intermediate 100 Yard and 220 Yard Dashes. While winning, Campbell set a new record in the 220 with a time of 23.1 seconds.

The potential success of Central's greatest division, the seniors, gave way to sprains, strains, and pains. It will best be explained in the forthcoming book, "The Death of a Trackman", written by co-authors Belinsky, Churchill and Wydryski, with a foreword by Mr. Hackett.

Thanks to Mr. Hackett for his excellent instruction and coaching.

We would like to wish good luck to next year's Boys' Track Team, with the added hope that they have better weather in which to train.

Central's point getters were:

Q.E.D.

Diogenes, who lived in a barrel, was one of many old-world wise guys who loved solving problems. Some, when they found the answer, would write "Q.E.D." "Quod erat Demonstrandum—Which was to be Demonstrated." I was reminded of this after solving a real estate problem. Finding the right property, at the right price, was a problem until I let Toronto General Trusts take over. Then I wrote the answer off with a carefree "Q.E.D."—though at the time I thought it meant "Quite Easily Done". Which it does, at Toronto General Trusts! Your wisest real estate move is to their Calgary headquarters, 315 - 8th Ave. West!

An African chief flew to London for a visit and was interviewed at the station.

"Good morning, chief," a newsman said. "Did you have a comfortable flight?"

The chief made a series of raucous noises—honk, oink, screech, whistle, z-z-z-z—then added in perfect English, "Yes, very pleasant indeed."

"And how long do you plan to stay?" asked the newsman.

Prefacing his remarks with the same noises the chief answered, "About three weeks, I think."

"Tell me, chief," inquired the baffled reporter, "where did you learn to speak such flawless English?"

After the now standard honk, oink, screech, whistle and z-z-z-z the chief said, "Short-wave radio."
